## Company Profile:

Airport Transport Service Company Limited, known as ‘Friendly Airport Limousine’, one of the world’s biggest airport bus company, was established in 1954 as a professional airport bus operator.

Our first priority is our customers. We are fully committed to providing all customers with quality, safety and reliable bus services.

Our total fleet size is 460 of which 350 coaches are destined for regular scheduled duties and 40 coaches are for charter duties for airline's crew, 70 buses are for Airside Operations (i.e. Ramp bus) at both airports.

We are currently operating 1200 services a day connecting Narita, Haneda Airport and Central Tokyo and Yokohama, welcoming 7.7 million tourists a year. Our Airport Limousine Bus service is the most convenient and comfortable way to get to and from Narita and Haneda Airport. Our fully air-conditioned, huge baggage capacity coaches make for Tokyo's smoothest and most scenic bus rides, providing convenient access to major locations in Tokyo and Yokohama Stations and Hotels with buses running on the routes at frequent intervals.

We are confident that bus travel to and from Narita and Haneda Airport is still by far the best value choice. We are looking forward to serving Japan bound customers with the highest quality of services.
